Extra comfort and safety, quickly and easily – **Ecostat®**.

Ecostat exposed thermostatic mixers are quick to install on existing connections. The new Ecostat E model with new safety technologies is perfect for families with small children. CoolContact stops the housing from heating up and SafetyStop, the adjustable temperature limiter, protects from scalding. Welcome to carefree showertime.

CHILD SAFE:

CoolContact stops the housing heating up.
www.hansgrohe.co.za/coolcontact

WARMTH NOT HEAT:

SafetyStop ensures that the water is not unexpectedly hot when it comes out of the shower.
